

To Rector of
Plekhanov Russian University of Economics
Professor Grishin V.I.

2 February 2015

To Director of Tashkent Branch of
Plekhanov Russian University of Economics
Professor Abdurakhmanov K.Kh.

Dear Colleagues!

Wide practical, innovative orientations, modern technologies and innovative projects which are implemented by Tashkent Branch of Plekhanov Russian University of Economics allow keeping up with the time, conducting research work confidently. Its results have found an embodiment in modern programs, techniques of training, upbringing and development of education.

Thanks to purposefulness, huge constructive energy, creative searching, high professionalism, and the ability to uphold carefully formed traditions, your staff invariably achieve successes in realization of the most courageous plans and ideas.

From the bottom of my heart I wish you sound health, happiness, kindness, inexhaustible enthusiasm, inspiration, well-being and further prosperity on this holiday!

Yours faithfully,

Dr. Steve Priddy BA PhD FCCA MCMI
Director of Research
